

DRAGON RACING FUELS ANNOUNCES PARTNERSHIP WITH MSDRA

Dragon Racing Fuels is now the official fuel of the Michigan Snowmobile Drag Racing Association (MSDRA). The MSDRA is a non-profit group, dedicated to the promotion and preservation of organized, sanctioned snowmobile drag races in the State of Michigan. The MSDRA's first race will be in Standish, Michigan February 12th and 13th and will have a race in Onsted, Michigan in October. Joe Riccardi of MSDRA says "Dragon Racing Fuels offer some of the most high performance fuels in the industry, their customer service and performance is exactly what we need at MSDRA."

Dragon Racing Fuels will be represented by Harris Oil Company and Northern Performance Fuels all weekend. "MSDRA is an upcoming organization that we are proud to be involved with. They are looking for a consistent product that makes great power and that is exactly what we offer. We look forward to a great relationship for 2011 and beyond," says Kevin Majewski, sales for Dragon Racing Fuels.

All grades of Tarragon Fuels will be on hand, including Tarragon 100, 110, 112, 114, 116, 118 and 118 N.O.S. Dragon Racing Fuels will also have its new Unleaded Racing Fuel Concentrate available for trail riders and lower compression race sleds.

Dragon Racing Fuels is solely manufactured by Performance Products Inc. a division of Newton Oil Company Inc. based in Lafayette, Indiana. Dragon Racing Fuels can be purchased from elite distributors nationwide. Stay tuned for upcoming news from Team Dragon Racing Fuels.
