

Manchester Has Strong Showing at Honda 150 Cup

Damon Manchester of Union City, MI was invited to the Honda CRF150 Cup at the Steel City National. The race, which was featured the same day as the Nationals, is designed as a platform to showcase the next generation of motocross talent. Damon rode well on Friday, his Honda fueled by Dragon Racing Fuels JM6, grabbed the holeshot and captured a 2nd overall in the Schoolboy class and 3rd overall in the 150. On Saturday after a bad wreck which after the race he found out he broke his swingarm and both of his fork seals blew, but still managed to work his way up to a 15th place finish.

Dragon Racing Fuels hopes Damon recovers from his crash quickly and want to wish him a job well done!
